

Appeal for Riaa Kulkarni

As you may know, one of our own little girl Riaa (Age 6) daughter of Mr & Mrs Vivek Kulkarni from Melbourne, has been diagnosed with DIPG, one of the rarest and worst brain tumour with no cure. This has a worst prognosis and radiation is the only therapy offered by Melbourne Doctors.

Riaa's parents did try to get a biopsy to identify the tumour and attended a suitable trial, however the biopsy failed. Riaa underwent radiation and was expected to be better. But due to complications she had to undergo a surgery for hydrocephalus. They have also explored the Trials at Sydney however she could not cope with it.

They seek the second opinion from Sydney where the doctor can operate to remove this Tumour. However being a private hospital and complex operation, the cost is very high in the range of \$100K+.

Considering this huge sum, we as a Marathi community can help Ria. We request your generous donations to help Riaa. The Bank details of Vivek Kulkarni are;

Account Name: Vivek Kulkarni
BSB No: 062913
Acc No: 10917781
Bank: Commonwealth Bank
Transaction Ref: DonationRiaWellbeing

If all of us donate generously by transferring the money to Vivek's bank account, it will not only be great support to Vivek & Riaa but looking at our Solidarity, God will also help Riaa.

Thanks & Regards
MMVIC Management Committee
